

Side Events at Sustainable Business Leadership Forum Annual Summit

(Entry by Invitation Only)

Special Interest Seminar: Innovation to drive Sustainable Energy Infrastructure in Rural Areas

Time: 2 pm - 4 pm

Venue: Room Tapti

Seminar discussions would focus on the landscape of capital available for investing in decentralized renewable energy mini-grid projects and potential structures for deploying this capital.

Theme Presentation: cKinetics

Moderator Remarks: Upendra Bhatt, Managing Director, cKinetics

Special Remarks: Suresh Prabhu, Former Union Cabinet Minister

Moderated round table discussions: Key Discussants include senior industry experts from financial institutions, policy experts, catalysts, and energy services companies amongst others.

First Meeting of AEEE Sub-Committee on PAT Industries

Time: 4 pm - 4.45 pm

Venue: Room Tapti

Opening Remarks: AEEE

Introduction to PAT Sub-Committee: Pawan Mehra, Managing Director, cKinetics

The discussion would focus on identifying key issues related to design and implementation of the PAT scheme with a view to establish measures that could lead to a more credible way of determining the progress of the scheme and increase stakeholder engagement.
